

# ★ Remember. Always. ★

Honor a friend or family member who's served their country in war or in peace. Your purchase of a memorial brick will get us one step closer to completing the National Tuscania Memorial by November of 2018. Your brick will be meticulously engraved 1/4" into the brick surface and filled with a black epoxy resin to ensure maximum durability and long life. We will hold all orders until the summer of 2018. After your brick is created, it will be delivered to our landscaping team at the memorial site where it will be incorporated into the memorial base.

Three sizes available. Order form on back.
